The Commissioner of Prohibition and Excise who
was requested to send detailed report, has furnished
reply to the said LAQ, which may be perused at pages
7-13 c.f.. Based on the information furnished by the
Commissioner of Prohibition and Excise, a draft

answer is prepared and placed below for approval. The Commissioner of Prohibition and Excise has also furnished draft note on possible Supplementaries which are not required for answering an un-starred LAQ. However a draft note for possible Supplementaries is placed along with draft answer for consideration.

May be circulated to Hon'ble C.M. for approval.

DRAFT NOTE FOR POSSIBLE SUPPLEMENTARIES

In G.O. Ms. No. 767, Rev (Ex-II) Dept, dated: 29-09-2004 Govt. have permitted establishment of toddy shops where trees were available within (50) K.Ms. Similarly, Rule 3(2) of A.P. Excise (Grant of Licence to sell toddy, conditions of Licence and Tapping of Excise Trees) Rules 2007 also lays down that toddy shops may be established where trees are available within (50) K.M from the area of Shop. As no trees are available within (50) K.Ms from the area of shops of the Municipal Corporation of Hyderabad, Toddy shops have not been established in twin cities of Hyderabad and Secunderabad since 2004-05.

As per Rule 16 of A.P. Excise (Grant of licence to sell toddy, conditions of licence and Tapping of Excise Trees) Rules 2007, adulteration of toddy is prohibited. However as per Rule (39) of A.P. Excise (Grant of Licence to sell toddy, conditions of Licence and Tapping of Excise Trees) Rules 2007 a licence of a Toddy shop of TCS involved in adulteration for the first time may be continued after removing the Managing Committee from the primary membership and by imposing fine as prescribed by the

Commissioner of Prohibition and Excise. In the case of second offence of adulteration the licence of the TCS is liable for cancellation and eligible members will be issued licences under TFT scheme. However, in the case of TFT scheme the tapper will be disqualified to get any further licence.

The Department has taken a very serious view of the menace of adulteration and has taken all steps to control adulteration of toddy with an iron hand. Strict instructions have been issued to all the wings the Department i.e. Regular, Enforcement, and Task Forces to control the crime. The details of cases detected etc., are enclosed.
